

MASSIVE WASTE INCINERATOR THREATENS YOUR VILLAGE!

CONCERNED?

- Will the incinerator impact the health of my family?
- Will the incinerator make my village less appealing to homebuyers?
- What will be the impact of an additional 400 lorry movements a day in the area?
- Can Grundon be trusted to act responsibly?

**YOU ARE INVITED to HERMITAGE VILLAGE HALL on SATURDAY,
2 APRIL at 11AM to find out more and ask your questions!**

FACTS:

- The proposed site is a designated Area of Outstanding Natural Beauty
- West Berkshire has no requirement for a 350,000 tonnes/year waste resource
- 2 x 85m high chimney stacks (over 1.5 times the height of Nelson's column) & 3 buildings each 47m high are proposed
- Grundon have breached their existing planning conditions & also started quarrying an area without planning permission
- Grundon have demonstrated little regard so far for the local area, community or West Berkshire planning authorities
